

June 15, 2005

Connie M. Gallippi  
Greenprint Program Director  
Sacramento Tree Foundation  
201 Lathrop Way, Suite F  
Sacramento, CA 95815

Dear Connie:

On behalf of our members, their employee's and with the unanimous support of our Board of Directors, I am pleased to let you know of the North Sacramento Chamber of Commerce's support for Greenprint!

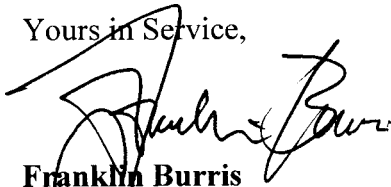

We see Greenprint as a companion and missing piece to SACOG's Blueprint, and an essential ingredient to a strong local economy and continuing quality of life within our Region. In an inclusive process, Greenprint has compiled, documented, and published the best approaches to greening our communities.

We encourage the political leadership of our Region to embrace and endorse Greenprint's best strategies and guiding principles at their June 24th Greenprint Summit for elected officials. This business community hopes all 27 local governments in our six county region will adopt tree canopy goals, policies and ordinances, best management practices and community involvement strategies as suggested by Greenprint.

Our Chamber will disseminate Greenprint materials to our members in our quarterly sharepacks, and our Board approved a membership to the Tree Foundation as a token of the communities support of your efforts and in the hopes that the promise of Greenprint will bless North Sacramento, Del Paso Heights and Point West.

Thank you and please don't hesitate to contact me, if our Chamber can be of further assistance to Greenprint.

Yours in Service,

**Franklin Burris**
